Sezer Arıcı (Tekirdağ, 1988) 2006 yılında Mimar Sinan Güzel Sanatlar Üniversitesi Resim Bölümü'nden mezun oldu. Sanatçının kompozisyonları sosyal determinizm üzerine kuruludur. ABD içerisinde veya dışında inşa edilen ideal yaşam tarzı kavramı, üretiminin ana başlığıdır ve sanatçı bu fikri, bir yabancı olarak analiz eder. Eserlerindeki renk kullanımı, dayatılan bu idealin yapaylığını vurgular. Arıcı çalışmalarına İstanbul ve Madrid'de devam etmektedir.

Sezer Arıcı (Tekirdağ, 1988) completed his Bachelor's Degree in Painting at Mimar Sinan Fine Arts University in 2006. The artist's compositions are based on social determinism. The notion of ideal lifestyle constructed whether in or out of USA is his main subject and he analyzes the idea as a foreigner. In his series, the artist's use of color emphasizes the artificiality of the imposed ideal. The artist currently continues his works both in Madrid and Istanbul.
